

MODERN DAY SLAVERY POLICY

Modern slavery, servitude and forced or compulsory labour are unacceptable in a modern, twenty first century society.

The trafficking of people (both adults and children) around the world both thrives on the demand created by such practices and serves to create opportunity for unscrupulous employers.

Cheetham Hill Construction Ltd (The Company) is committed to combating acts of modern day slavery from within both the business and its supply chain.

The Company acknowledges responsibility to the Modern Slavery Act 2015 and will ensure transparency within the Company and with suppliers of goods and services to the Company.

Cheetham Hill Construction Ltd is a privately-owned civil engineering, construction and plant hire company based in Bury, Lancashire.
