All data gathered from the manufacturer & accurate at time of publication. This data sheet is provided as a guide only. Please check against manufacturer data on all critical requirements.

## Simply see more.

The Dual View dumper clearly stands above the requirements of the line-of-sight standard ISO 5006:2017.

## Large Comfort Cab.

## More operating comfort thanks to the ergonomic swivel console.

## Swivel tip skip

Thanks to the infinitely variable 180-degree tipping, the swivel tip skip puts your material exactly where you want it – ideal.

- Levelling when transporting liquids on gradients.
- 2 x 90-degree turn motor left and right.
- Side filling possible

## WACKER NEUSON DV90 + DV60 Dual View Dumper
